Goal:	
“What” Choice: (Will you offer “what” choices? If so, which ones will you need to demonstrate or review?)	“How” Choice: (Will you offer “how” choices? If so, which ones will you need to demonstrate or review?)
Plan: Will you have students sign up orally? Sign up on the board? Complete a planning sheet? How can you help students make a “good-fit” choice?	
Work: Where will students work? (Assigned places or student choice?) With whom will they work? (Individually, partners, small groups? Teacher-assigned or student choice?) How will you coach students?	
Reflect: How will students reflect? (Privately? With a partner? With the whole group?) What might you name as a focus for reflection?
