

Cultivating School Culture Leadership Seminar

One-day seminar

Suitable for K–8 school leaders, SEL coaches, counselors, and *Responsive Classroom* leadership team members

Create a positive environment for every member of your learning community.

School leaders are entrusted with developing and sustaining a positive culture. This seminar examines the *Responsive Classroom* principles, strategies, and practices that strengthen the school community. Leaders will have opportunities to reflect and collaborate with peers and *Responsive Classroom* experts to identify the strategies that improve school climate and culture.

Participants will:

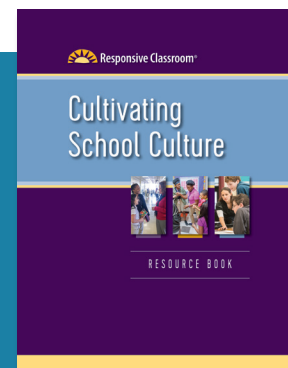

- Identify the critical components of a positive school culture
- Examine ways to create the conditions for a positive adult culture
- Explore ways to lay the foundation for a positive student culture
- Review strategies that include and invest students' families in the school culture
